## Pears' Soap

Whoever wants soft hands, smooth hands, white hands, or a clear complexion, he and she can have both; that is, if the skin is naturally transparent; unless occupation prevents.

The color you want to avoid comes probably neither of nature or work, but of habit.

Either you do not wash effectually, or you wash too effectually; you do not get the skin open and clean, or you hurt it.

Remedy .- Use Pears' Soap, no matter how much; but a little is enough if you use it often.

All sorts of stores sell it, especially druggists; all sorts of people use it.
